Orrick's Client Charges and Disbursements Policy effective January 1, 2011, is as follows:

a. ***Duplicating*** -- It is Orrick's practice to charge all clients of the Firm for duplicating at the in-house rate of 20¢ per page; however, Orrick has reduced the duplicating cost to 10¢ per page in order to comply with the Local Rules of this Court. This charge includes the cost of maintaining the duplicating facilities and the actual cost involved with respect to the duplication. Color copies are charged at \$1.25 per page.

b. ***Long Distance Telephone and Facsimile Charges*** -- Orrick charges clients for long distance telephone calls but not for local telephone calls. Necessary mobile phone usage is reimbursed to professionals submitting an appropriate bill. Out-going facsimile transmissions

are charged at \$1.00 per page, plus any long-distance calling cost, and there is no charge for incoming facsimiles.

c. ***Messenger and Courier Service*** -- It is Orrick's practice to use Federal Express or similar express mail delivery and third-party messenger services only in exigent circumstances (i.e., when needed to meet a deadline or when a next-day response from the recipient was necessary or beneficial to the case) and only when less costly than other available alternatives.

d. ***Overtime*** -- It is Orrick's practice to allow staff and certain paraprofessionals in its Washington D.C. office working more than 3 hours of overtime to charge a meal to the appropriate client at a meal charge of up to \$7.50. It is Orrick's practice to allow professionals and support staff to charge a car service or cab to the appropriate client when working at least 2 hours of overtime. Orrick endeavored not to incur overtime charges unless necessary to benefit the case and in certain exigent circumstances. Orrick generally utilizes secretarial assistance in connection with monitoring and updating case dockets and downloading, circulating and printing of pleadings filed in the case. Thus, certain charges may be incurred by secretaries for overtime. (Note: These charges are at rates less than that charged by Orrick paralegals or other professional staff who may have otherwise performed this type of work.)

e. ***Computerized Research*** -- It is Orrick's practice to use computer-assisted legal research when it is efficient to do so. Use of fee based internet research services is charged at Orrick's cost.
